Harvest Report: Overall, 2014 was an excellent vintage. The persistent warmer-than-average temperatures early in the growing season were followed by cooler conditions leading up to harvest, ideal for both the Syrah and Viognier varietals. Warm daytime temperatures in September combined with cool nights resulted in excellent flavour development, complexity, and full tannin profiles.

Winemaking: The 2014 Syrah Viognier is composed predominantly of Syrah with the addition of a small percentage of Viognier to help stabilize the deep red hues and enhance the floral aromatics. After harvesting, both varietals are co-fermented on the skins for 15 days before gentle pressing. The blend is allowed to age in 60% American and 40% French oak in the cellar for an additional 15 months.

Tasting Notes: Aromas of delicate white pepper, vanilla, strawberry, violets and light toast highlight the nose. The palate delights with notes of sweet caramel, coffee, tobacco and dark cherry with a balanced acidity. Pair this elegant wine with leaner game meats such as rack of lamb, venison or bison. It would be well complimented in a dish with earthy mushrooms, as well as a wide variety of medium to full bodied cheeses.
