**Harvest Report:** Temperatures during the 2015 growing season were some of the warmest on record. Because of this, all six varietals of our estate-grown grapes—Pinot Gris, Pinot Blanc, Trebbiano, Gewurztraminer, Chardonnay and Semillon, achieved full ripeness approximately 2-3 weeks earlier than normal due to these unprecedented conditions.

---

**Winemaking:** The six grape varieties of the estate-grown Character White were fermented separately, but with the same process: gentle pneumatic pressing and controlled temperature fermentation in stainless steel with no oak contact. These winemaking techniques allow the purity of the fruit to shine.

---

**Tasting Notes:** Aromas of crisp juicy apple, peach and light herbaceous mint lead the way to a clean, crisp, slightly off dry palate of orchard fruit and minerality. This wine is wonderful to enjoy on its own or to pair with lighter seafood dishes with a salty component, such as fresh oysters, scallops, ceviche or mussels.
