**Harvest Report:** Our Hester Creek Pinot Gris is made with fruit from the east-facing Golden Mile vineyard and our more southerly Black Sage Vineyard, which together provide vibrant fruit flavours and rich texture. Careful canopy management and mild water stress to the vines made the most of a long, warm growing season, resulting in incredible flavour and balance.

---

**Winemaking:** Lots from both vineyards receive the same minimal treatment: gentle pneumatic pressing, controlled cool fermentation in stainless steel, early removal from lees, no oak and no malolactic fermentation.

---

**Tasting Notes:** Aromas of crisp apple, pear, lemon, honeycomb and dried apricot lead to a honeyed palate with mineral notes and fresh acidity. This wine combines the richness and texture of grapes from the Black Sage Vineyard with the vibrant fruit flavours typical of the Golden Mile Bench. Mouth-filling and delicious, pair this wine with seared scallops for a perfect summer meal.
