Harvest Report: The record long, warm growing season on the Golden Mile Bench, offset by cool nights, produced beautifully ripe and aromatic Gewürztraminer fruit for our second vintage of Bench Club-exclusive Terra Unica wines. Precision viticulture, including careful canopy management and controlled drip irrigation, helped achieve perfect balance.

Winemaking: Thanks to exceptional growing conditions, the fruit received minimal treatment in the winery; gentle pneumatic pressing, controlled cool fermentation with selected yeasts in stainless steel, and early removal from lees helped maintain the vibrant aromas.

Tasting Notes: Lush, rounded aromas of Bosc pear and orchard apple are followed by the rose petal perfume so distinctive of Gewürztraminer. A fresh, lively palate of orange blossom and bracing minerality make this wine a magical pairing with Thai and other Asian cuisines.
