

HESTER CREEK

TRUE WINE EXPERIENCE

## The Villa

Visitors to the South Okanagan's Golden Mile have a place to lay their heads that is as beautiful as the surrounding countryside.

The Villa comprises six luxury guest suites at the high western edge of the property, overlooking vineyards and the valley floor below. Each suite is beautifully appointed with thoughtful attention to detail and comfort, and includes geothermal heating and cooling, soaker tubs, walk in showers, granite countertops, Stearns & Foster King sized beds, HDTV, fireplaces, and WiFi. With every stay, guests are served a delicious breakfast made with locally sourced ingredients.

The Villa is an ideal spot from which to base visits to the Hester Creek winery and explorations of the South Okanagan Valley beyond.
