Harvest Report: The 2015 growing season was one of the warmest on record, with harvest commencing approximately 2-3 weeks ahead of schedule. This fan favourite includes a 48-year-old planting of a Northern Italian clone of Merlot, as well as Syrah, Malbec, and Petit Verdot, all grown on our estate. The record-breaking high temperatures slowed down in the Fall, allowing the acidity and multitude of robust flavours to come to fruition.

Winemaking: Ideal weather conditions that lasted into Fall resulted in balanced and integrated dark fruit flavours in the four red grape varieties used in this blend. Fermented separately to extract colour and ripe tannins, the lots underwent a 12-day maceration at 25-28° C, followed by full malolactic fermentation. After blending, the wine was aged for six to eight months in a combination of French and American oak

Tasting Notes: The nose of this seductive blend suggests black cherry, mocha, pepper, cinnamon, earthy terroir, and violet. The palate has a full, round entry, delivering black pepper, dark fruit, mocha chocolate, a full tannic structure, and a long, lingering finish. Enjoy this intense blend with BBQ game meats, strong cheese, BBQ ribs, or spiced curried meats.
